Compliant solutions for prompt credit balance refunds

Provide students with centralized, flexible resources to receive their credit balance refunds quickly and securely.

How Transact Refunds help your staff

- Automates notifications and provides controls to view student enrollment status
- Shortens processing time and disburses credit balance refunds via ACH to expedite delivery and reduce the need for paper checks
- Removes the need to collect and store banking information within your environment
- Integrates with your student information system (SIS) to help maintain accurate student record
- Supports admin communication efforts with messages to students via their student account portal, text, and email
- Protects your students' financials, their authorized third-parties, and your school with security protocols for identity verification

How we help your students

- Secure, web-based enrollment portal with options to select direct deposit
- Automated disbursement notifications shared via web, text, and email

Enrollment for students is as easy as 1-2-3

1. Students log in to their Student Account Portal
2. Students enter their bank account information to receive refunds
3. Students receive disbursement status updates and notifications via their web portal, email, and text
