

# Mobile Payments for iPad

## Integrated Payments

### Accept payments on the go

Turn your iPad® device into a mobile cashiering location, making it easy to process transactions all over campus.

Use the solution at campus-sponsored events to offer tickets to sporting events and theater productions, sell school merchandise, and more.

#### Works with:

#### Transact Cashiering

This solution enables campus departments to process over-the-counter payments and to offer a streamlined approach that uses a one-step, one-stop transaction with easy back-office reconciliation.

#### Transact eMarket

This module is customizable and PCI-compliant to help to help you develop, control, and manage the growing number of online storefronts on your campus.

Accepts different payment options including credit and debit cards, and campus card\*

Compatible with Transact Integrated Payments for easy reconciliation

Enables staff to conveniently offer purchases on the go

Increases campus brand awareness

Provides added security with an encrypted mobile card reader

Uses convenient features to easily find payment transactions

\*Campus card available with mobile cashiering
