

Student Financial Agreement

Automate and Digitize Important Forms

Cut down on paperwork and make it easier for your students to sign required financial agreements. With Transact's new Student Financial Agreement feature, your students can digitally sign legally-binding forms when they log on to pay their tuition and other school fees.

Key features include the ability to:

Present updated agreements upon student login

Note timestamp and IP address for legal and collection purposes

Track students who have signed and extract signature status to ERP

Be viewed and printed by students and administrators

Student Financial Agreements streamline paperwork for school administrators and students:

-  Administrators upload new financial agreements
-  Students see a pop-up if there is a new form to sign when they log on to pay tuition
-  Administrators can check the status of agreements and download completed forms at any time
-  Students can view, download, and print agreements in My Account

Use Student Financial Agreements with:

Student Account Online Portal

- Payment Processing
- Payment Plans
- Bill Presentment
